SUBMIT YOUR FILES WITH SUBJECT LINE SAYING **AUTHORSONLINE and your name**

Checklist of items to submit:

1. **Author photo – please attach your author photo as a high res 300 pixel png file.** You may choose a head shot, a head and shoulders shot or a full body shot. Do not use cell phone selfies or photographs that contain pictures of other people. These photos will be rejected.
2. Please attach your **author bio** of up to 300 words in a word file. You may add **up to three** hyperlinks to your bio (such as your website URL) so people can find you in another place on the internet. You may add up to two ways for people to contact you such as your phone number and your connection to your LinkedIn profile.
3. Please attach **an image of the front cover** of your book. This image should be a **PNG** file with high res 300-pixel count.
4. Please attach a description of your book in 250 words or less in a word file (.docx).

5. Please attach a separate word file with up to 5 reviews or testimonials referring to your book.
6. Please specify which three versions of your book you wish to have connected to your purchase buttons. You will be contacted for arrangements to connect the purchase buttons to your shopping cart service.
7. Please supply up to 5 book covers of other books you have written. These should be 300-pixel PNG files. You may include alt text to attach to the images.
8. The ELITE package comes with a basic blog that you can self-manage. Please confirm your acceptance of this feature.
